How Do I APPLY FOR HOUSING
JUNIOR SINGLE SAILORS E1-E4

NOTE: The application covers all Unaccompanied Housing facilities in Naval Base San Diego. Government facilities include Snyder Hall (B-3380), Angelley Hall (B-3204), and Regelin Hall (B-3663). Rambur Hall is a dormitory strictly for the student population.

Pacific Beacon and Palmer Hall are also available under the Public-Private Venture (PPV) program, a housing program that allows single E1-E4 Sailors to reside in privatized housing and receive a higher rate partial BAH equal to their rent. PPV facilities have minimum lease requirements; Pacific Beacon and Palmer Hall require a minimum of 12-month lease.

Sailors will be assigned rooms based on availability and pay grade. After assignment to a government barracks, Sailors may request referral to PPV if eligible. This applies to both sea and shore duty Sailors. No geobachelor housing in NBSD.
