OMBUDSMAN BASIC TRAINING

Ombudsman Basic Training (OBT) is the required training for all Navy Ombudsmen. It is a standardized multi-day training consisting of nine modules outlined in the Ombudsman Program Manual and OPNAVINST 1750.1G CH-2. OBT is offered in two formats – the traditional classroom version is referred to as OBT. The online version, eOBT, is a blend of five live webinars and four on-demand modules. Both options fulfill the training requirements outlined in the Navy Family Ombudsman Program instruction, OPNAVINST 1750.1G CH-2.

Every effort should be made to complete this training within 6 weeks of appointment. If you are unable, please contact your Ombudsman Coordinator for assistance in determining the best way forward.

If you have a new Ombudsman joining your team or if you are moving on and a new Ombudsman will be coming in, please ensure they sign up for training. Additionally, ombudsmen are required to go through training to be recertified every 3 years.
